

# Morten Amundsen

CONSULTANT

✉ m.amundsen@pm.me | 🏠 mortenamundsen.me | 📺 netr0m | 🌐 mortenkamundsen

## Summary

Currently working as a Consultant @ Bouvet. I have experience with Security Operations, system development, scripting/automation, and computer security, and an interest in infrastructure (as code). I'm curious, and I love to learn and solve challenges.

For my Master's thesis, I developed a system to automate the process of handling user incident reports based on Machine Learning and Natural Language Processing.
